5. INSURANCE DECLARATION

This form **MUST BE COMPLETED AND SIGNED** by all delegates/accompanying persons who intend to go on the mid-workshop Samaria Gorge fieldtrip and/or the post-workshop Anapodaris fieldtrip.

The University of Wales, Aberystwyth, as Organisers of the **4th International Palaeoflood Workshop, Chania, Crete**, draw the attention of workshop delegates and accompanying persons to the fact that the planned mid-workshop fieldtrip to the **Samaria Gorge**, and the post-workshop fieldtrip to the **Anapodaris Gorge**, may present physical difficulties for some attendees. The nature of the terrain is demanding and there is inevitably some risk of physical injury.

The Organisers therefore require workshop delegates and accompanying persons who wish to be included in one, or both, of the fieldtrips to warrant that they will obtain appropriate and adequate insurance cover prior to embarking on such fieldtrips and that they sign the declaration below.

DECLARATION

I, _____ (Workshop delegate)

of _____ (Address)

I, _____ (Accompanying person)

of _____ (Address)

declare that in consideration of my being included as a member of the party undertaking a fieldtrip to either of the above locations, or to any substituted locations, I shall obtain, at my own cost, all appropriate and adequate insurance covers and that inclusion in the party undertaking either or both of the fieldtrips is entirely at my own risk.
