Mathematics

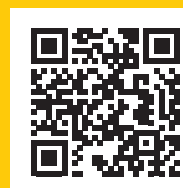

Mathematics is our main degree, with 3 and 4 year versions (Integrated Master's, Year in Industry or a Foundation Year). Most of our schemes are accredited by the Institute of Mathematics and its Applications, and some include a year in industry. You can also specialise in certain areas of mathematics, or follow a bespoke interdisciplinary degree.

- **Mathematics**
- **Financial Mathematics**
- **Data Science**
- **Mathematical and Theoretical Physics**

You can also combine Mathematics with subjects from Education, Business Studies, the Sciences, the Humanities, Languages or the Performing Arts.

Best in the UK for Student Experience and Teaching Quality for the subject of Mathematics
